Camp information:

Larkspur Farm's summer camp for boys and girls, ages 7-14, meets Monday through Thursday, 8:30 am to 1:00 pm. The day is packed with fun and educational activities. Campers ride every day, either in an hour group lesson (3-4 riders) or in a half-hour private lesson, depending on ability. First-time riders are welcome. When not riding, campers will learn how to properly groom, care for, tack-up and put away their horse or pony. They also learn about basic veterinary care, horse anatomy, tack cleaning, bathing horses, feed schedules, and general stable management. The children eat their own bagged snack midday and can buy ice cream from the ice-cream truck just before 1:00.

What to bring:

For riding, campers will need long pants (jeans, britches, or chaps), their own helmet, and boots with a small heel. For after riding, they can bring shorts to change into. Campers must bring their own snack, and plenty of water! They will also need a few dollars if they wish to buy ice-cream at the end of the day. Many campers like to bring treats (apples or carrots) for their favorite horse or pony. Please remember to label all of your child's equipment!

Session Dates and Prices:

The sessions are two weeks long, starting June 19th, July 3rd (Monday, no Tuesday, Wednesday through Friday this week only), July 17th, July 31st, and August 14th.
